03/28/2017		Mercedes-Benz USA LLC	Manufacturer Safety recall issued - NHTSA #19V003 - Recall #2017030012 Model 906. Model Years 2007-2017. Replace Drivers Side Airbag. Launched MY07-14: March 2 - Status: Remedy Available Click here or call 1-800-367-6372 to locate an authorized Mercedes-Benz dealer near you to obtain more information about this recall  Learn more about this recall
Description: Certain Sprinter vehicles are equipped with driver side front airbags provided by the supplier TK Holdings Inc. ("Takata") and its successor Joyson Safety Systems ("JSS"). On January 2, 2019, JSS filed another Defect Information Report with NHTSA announcing a defect in the subject inflators. According to JSS/Takata, the propellant wafers in some of the subject inflators may degrade over time, which could lead to over-aggressive combustion in the event of an airbag activation. Overly aggressive combustion creates excessive internal pressure when the inflator is activated, which may cause the inflator body to rupture. According to JSS/Takata, activation of a nondesiccated PSAN inflator with degraded propellant may cause the inflator to rupture. An inflator rupture may cause metal fragments to pass through the air bag and into the vehicle interior at high speed, which may result in injury or death to vehicle occupants. Remedy: Daimler Vans USA LLC will conduct a recall to replace the driver-side front airbag modules in the potentially affected Daimler Vans vehicles.

Description: On 2021-03-09, Daimler AG ("DAG") and Mercedes-Benz USA, LLC ("MBUSA") reached a settlement with the United States Department of Justice ("DOJ"), the Environmental Protection Agency ("EPA"), the California Air Resources Board ("CARB"), and the California Attorney General's Office ("CA AG") regarding the emissions control system in MY09 to MY16 OM642 and

OM651 BlueTEC II diesel vehicles sold or leased in the US. As part of this settlement, MBUSA is offering Owners and Lessees of the subject vehicles a modification to the vehicle's emissions control systems, referred to as an Emission Modification.

Remedy: Your authorized Mercedes-Benz dealer will install the emission modification that updates the emission control system software on your vehicle and involves an exchange of certain components based on your vehicle model and year. More information can be found at www.bluetecupdate.mbusa.com/www.bluetecupdate.mbvans.com/www.bluetecupdate.freightlinersprinterusa.com

Glossary

Commercial

Vehicle was registered for business purposes.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Lease

When someone leases a car from a dealer, the dealer actually sells the vehicle to a leasing company. The leasing company then collects payments for the vehicle from the new owner for 24, 36, 48 or more months. A leasing company can be an independent car dealer or a car manufacturer.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Service Campaign

Automobile manufacturers issue a service campaign to address product technical issues that may not be related to safety or emissions standards. These issues are typically customer satisfaction initiatives.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
